The military history of the United States spans a period of over two centuries. During those years, the United States evolved from a new nation fighting Great Britain for independence (1775â€“1783), through the monumental American Civil War (1861â€“1865) and, after collaborating in triumph during World War II (1941â€“1945), to the world's sole remaining superpower from the late 20th century to ...
