Caged is the fourth book in Lorelei James's Mastered series. I didn't know it was a part of a series when I picked it up but it's a standalone so you don't need to have read the other books in the series to read this one.

**Open Library: Caged (Mastered, #4) - [Lorelei James**

CAGED is book 4 in the Mastered Series. You could read it as a standalone, but you'd miss some of the dynamics of their friendship and the tension caused by the undeniable chemistry they have. So, I'd read the others in the series to experience the development of their relationship as a whole.

## Wolf Marshall's™ GUIDE TO C-A-G-E-D

Exercise 4: The two rows of fretboard diagrams below start with a common chord followed by a series of chord shapes that are organized in the CAGED sequence, but at undetermined locations on the fretboard. Add fret numbers to each diagram (to the right of the bar) so that every shape in the row gives you the chord that starts the row.
