Immigration to the United States is the international movement of non-U.S. nationals in order to reside permanently in the country. Lawful immigration has been a major source of population growth and cultural change throughout much of the U.S. history. Because the United States is a settler colonial society, all Americans, with the exception of the small percent of Native Americans, can trace ...

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
