Although some features of German grammar, such as the formation of some of the verb forms, resemble those of English, German grammar differs from that of English in that it has, among other things, cases and gender in nouns and a strict verb-second word order in main clauses. German has retained many of the grammatical distinctions that other Germanic languages have lost in whole or in part.

Germans (German: Deutsche) are a Germanic ethnic group native to Central Europe, who share a common German ancestry, culture and history. German is the shared mother tongue of a substantial majority of ethnic Germans.. The English term Germans has historically referred to the German-speaking population of the Holy Roman Empire since the Late Middle Ages. Ever since the outbreak of the ...
