As a classroom teacher, I was largely ignorant of, and definitely suspicious of, research. I believed that researchers could make their studies come out any way they wanted them to, and that a good teacher who reflected on her own teaching knew much more about how to be effective with her students than any researcher did.

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the coast of the North Sea, whose languages are now known as the Anglo-Frisian subgroup within West Germanic. As such, the modern Frisian languages are the closest living relatives of Modern English.
