Erotic literature comprises fictional and factual stories and accounts of human sexual relationships which have the power to or are intended to arouse the reader sexually. Such erotica takes the form of novels, short stories, poetry, true-life memoirs, and sex manuals. A common feature of the genre is sexual fantasies on such themes as prostitution, orgies, homosexuality, sadomasochism, and ...

My husband has a small penis and I know from previous experience that size matters to some extent. He noticed that he could not make me cum through penetration so after work one day he came home excited with a spring in his step and said he has a surprise that I will like but might find awkward at first.
