Criticism of democracy is grounded in democracy's purpose, process, and outcomes. Since Classical antiquity and through the modern era, democracy has been associated with "rule of the people," "rule of the majority," and free selection or election either through direct participation or elected representation respectively, but has not been linked to a particular outcome.

Individualism is the moral stance, political philosophy, ideology, or social outlook that emphasizes the moral worth of the individual. Individualists promote the exercise of one's goals and desires and so value independence and self-reliance and advocate that interests of the individual should achieve precedence over

the state or a social group, while opposing external interference upon one's ...

Individualism - Wikipedia

The difference between the right word and the almost right word is really a large matter – it's the difference between a lightning bug and the lightning.
