European Pharmacopoeia - PMRJ

Elaboration. The principles for elaborating the general chapters and monographs of the European Pharmacopoeia are continually updated to keep pace with the regulatory requirements of licensing, control and inspection authorities in the public health sector, with technological and scientific advances and with industrial constraints.. The European Pharmacopoeia Commission allocates the work to ...

REVIEW OF WORLD PHARMACOPOEIAS - WHO

Iron supplements, also known as iron salts and iron pills, are a number of iron formulations used to treat and prevent iron deficiency including iron deficiency anemia. For prevention they are only recommended in those with poor absorption, heavy menstrual periods, pregnancy, hemodialysis, or a diet low in iron. Prevention may also be used in low birth weight babies.

PowerPoint Presentation

Coal tar is a thick dark liquid which is a by-product of the production of coke and coal gas from coal. It has both medical and industrial uses. It may be applied to the affected area to treat psoriasis and seborrheic dermatitis (dandruff). It may be used in combination with ultraviolet light therapy. Industrially it is a railway tie preservative and used in the surfacing of roads.
