The serfdom in Tibet controversy rests on Chinese claims of moral authority for governing Tibet, portraying Tibet as a "feudal serfdom" and a "hell on earth" prior to its invasion in 1950. Claims of unfree labour practices have been a recurrent theme, covering periods both before and after the Chinese takeover. Supporters of the Chinese position highlight statements by the government of the ...

Land reform, which was the focus of the White Revolution, did what it was intended to do, weaken the nobles and landlords. In their place, though, emerged a new group of commercial farmers, and many previously large landowning families, such as the Pahlavi family, managed to renovate themselves into these commercial farmers. A rapid expansion of small landowners did occur, but the peasantry as ...

End Notes. 1 Of course, as Marxist writers have stressed so heavily, those who commit themselves to a particular ideology are likely to be those in the community who perceive that if it is organised in those ways they will benefit. However, commonly, they do not simply cynically support an ideology out of self-interest; rather, they believe that only when life is organised in those ways will ...
