. a considerable and convincing achievement. Nor is this collection concerned only with issues of violence and indiscipline on and off the field of play, though that is its main organizing theme player indiscipline and violence, the social history of

## **FOOTBALL ON TRIAL Spectator violence and development in**

Football on Trial successfully identifies some of the more important defining elements of the "English condition" while locating our own game firmly on the international stage. It is, as a consequence, a challenging and provocative read and a considerable and convincing achievement.

## **Football on Trial: Spectator Violence and Development in**

Football on Trial examines some of the causes of football hooliganism as a European and world phenomenon. It casts an eye forward to the 1994 World Cup in Los Angeles and asks why soccer hooliganism has not been a problem in the USA. It also examines the connections between player violence and spectator violence, and considers the role of the ...
