Star Wars Edge of the Empire, Age of Rebellion, and Force

Destiny, sometimes referred to as fate (from Latin fatum “destiny”), is a predetermined course of events. It may be conceived as a predetermined future, whether in general or of an individual.

Destiny - Wikipedia

In the 19th century, manifest destiny was a widely held belief in the United States that its settlers were destined to expand across North America. There are three basic themes to manifest destiny: The special virtues of the American people and their institutions; The mission of the United States to redeem and remake the west in the image of agrarian America
