Poverty is the scarcity or the lack of a certain (variant) amount of material possessions or money. Poverty is a multifaceted concept, which may include social, economic, and political elements. Absolute poverty, extreme poverty, or destitution refers to the complete lack of the means necessary to meet basic personal needs such as food, clothing and shelter.

### **Poverty - Wikipedia**

Poverty is a state of deprivation, lacking the usual or socially acceptable amount of money or material possessions. The most common measure of poverty in the U.S. is the "poverty threshold" set by the U.S. government. This measure recognizes poverty as a lack of those goods and services commonly taken for granted by members of mainstream society. The official threshold is adjusted for ...

The Southern Poverty Law Center gathered hundreds of stories of everyday bigotry from people across the United States. They told their stories through e-mail, personal interviews and at roundtable discussions in four cities. People spoke about encounters in stores and restaurants, on streets and in schools. No matter the location or relationship, the stories echo each other.

This part of the globalissues.org web site looks at the conflict in the Democratic Republic of Congo. Media coverage is poor and yet there have been millions of refugees and over five million killed since the war began around August 1998. Yet the rich country leaders and their media drew everyone's attention to 2000 ethnic Albanians being killed in Kosovo (to gain support for a war there).
