

fox island images of pdf

Etymology. The word fox comes from Old English, which derived from Proto-Germanic *fuhsaz. This in turn derives from Proto-Indo-European *puá,±-, meaning “thick-haired; tail”. Male foxes are known as dogs, tods or reynards, females as vixens, and young as cubs, pups, or kits, though the latter name is not to be confused with a distinct species called kit foxes.
