Recent renewable energy auctions in a number of countries have been won by record low solar and wind bids – proof, according to some media sources, that wind and solar are already cheaper than fossil fuels. This post addresses the question of whether these low bids are realistic and concludes that ...

As a follow-up to Tuesday’s post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
