

freedom of the press pdf

Freedom of the press or freedom of the media is the principle that communication and expression through various media, including printed and electronic media, especially published materials, should be considered a right to be exercised freely. Such freedom implies the absence of interference from an overreaching state; its preservation may be sought through constitutional or other legal ...

Freedom of the press - Wikipedia

Global press freedom declined to its lowest point in 13 years in 2016 amid unprecedented threats to journalists and media outlets in major democracies and new moves by authoritarian states to control the media, including beyond their borders.

Freedom of the Press 2017 | Freedom House

The Press Freedom Index is an annual compiled and published by Reporters Without Borders based upon the organisation's own assessment of the countries' press freedom records in the previous year. It intends to reflect the degree of freedom that journalists, news organisations, and netizens have in each country, and the efforts made by authorities to respect this freedom.
