A. Adam: Gender, Ethics and Information Technology (PDF)

Women and Men, Morality and Ethics Men, Morality How do men and women in management differ in moral reasoning and ethical decision making? Gilligan's research is an extension of gender socialization theory. Tracing back to the work of Freud, this theory holds that gender identity, the core of personality, becomes established as

Women and men, morality and ethics. - Southeastern Homepages

computer ethics which have gender implications, such as privacy and power, which are, as yet largely unexplored. Gender and computer ethics - barriers and pipelines In this, and the following section, I explore the two main strands of current research in gender and computer ethics.

Gender and computer ethics 0 - Armstrong

gender, in order to investigate whether, for this cohort of soon-to-graduate communication - students, gender is a variable in ethical reasoning. The resulting conclusions are a very partial picture of what creates ethical outcomes, but do indicate that both gender and the kinship effect have measurable impact upon ethical choices.
