

hotel management and operations pdf

A hotel manager is a person who manages the operation of a hotel, motel, resort, or other lodging-related establishment. Management of a hotel operation includes, but is not limited to management of hotel staff, business management, upkeep and sanitary standards of hotel facilities, guest satisfaction and customer service, marketing management, sales management, revenue management, financial ...

Hotel manager - Wikipedia

Hospitality management is the study of the hospitality industry. A degree in the subject may be awarded either by a University college dedicated to the studies of hospitality management or a business school with a relevant department. Degrees in hospitality management may also be referred to as hotel management, hotel and tourism management, or hotel administration.
