Grounded Theory Review | An international

About fifteen Economics departments claim to be top ten* in the world. In that elite group, we're the new kids. We started in 1964 by building one of the very best research departments in econometrics (two Nobel prize winners) and economic theory.

Economics

The English School of international relations theory (sometimes also referred to as liberal realism, the International Society school or the British institutionalists) maintains that there is a 'society of states' at the international level, despite the condition of anarchy (that is, the lack of a global ruler or world state). The English school stands for the conviction that ideas, rather ...
