The answer is that love is "unconditional selflessness", BUT that is a truth we couldn't safely admit until we could explain the HUMAN CONDITION "explain WHY our human behaviour has often been so competitive, selfish and aggressive, so seemingly unloving. It follows then that the real issue behind the question of "what is love" has been the issue of the human condition.

Experiential learning is the process of learning through experience, and is more specifically defined as "learning through reflection on doing". Hands-on learning is a form of experiential learning but does not necessarily involve students reflecting on their product. Experiential learning is distinct from rote or didactic learning, in which the learner plays a comparatively passive role.
