Initial Activity Assessment sheet - Activity Director Today

A saltire, also called Saint Andrew's Cross or the crux decussata, is a heraldic symbol in the form of a diagonal cross, like the shape of the letter X in Roman type. The word comes from the Middle French sautoir ("stirrup"), possibly owing to the shape of the triangular areas in the design.. It appears in numerous flags, including those of Scotland and Jamaica, and other coats of arms and seals.

Saltire - Wikipedia

Camelids are large, strictly herbivorous animals with slender necks and long legs. They differ from ruminants in a number of ways. Their dentition show traces of vestigial central incisors in the incisive bone, and the third incisors have developed into canine-like tusks. Camelids also have true canine teeth and tusk-like premolars, which are separated from the molars by a gap.

Camelid - Wikipedia

The first decade of the new millennium is a good time to remember the past, consider the present, and plan for the future. The past century brought
